NOTICE OF PROPOSED RULE MAKING

Adopted: November 12, 1992; Released: December 1, 1992

Comment Date: January 21, 1993
Reply Comment Date: February 5, 1993

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Trayne Communications, Inc. ("petitioner"), requesting the substitution of Channel 286A for Channel 285A at McAlester, Oklahoma, and the modification of Station KTMC-FM's license to specify operation on the alternate Class A channel. Petitioner states that it will apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the substitution of Channel 286A for Channel 285A at McAlester, since it could enable Station KTMC-FM to increase its power from its present 3 kW to full Class A power of 6 kW. Channel 286A can be allotted to McAlester in compliance with the Commission's minimum distance separation requirements at the station's presently licensed transmitter site.¹

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Present	Channel No.	Proposed
McAlester,			
Oklahoma	267C1, 285A		267C1, 286A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
